

Sales Agents Required

Job Title: Field Sales Representative

Sector: Sales of Optical frames

Type: Permanent

Location: South West England and Wales + London and South East England

Very generous commission

This is an excellent opportunity for an enthusiastic and determined individual to work for an Italian owned company who has built up an excellent reputation as a supplier of quality designer spectacle frames since 1998.

Field Sales Representative: The Benefits

- Very generous commission
- Full support and friendly environment

Field sales representative: The Role

We are looking for a Field Sales Representative to join our expanding sales team selling our unique, individual collection of elegant and sophisticated eyewear styles.

Working to cover the outlined areas, the focus would be to develop positive growth within your region by continuously consulting with new and existing independent Opticians.

Field Sales Representative: The Person

- Ambitious
- Hardworking
- Self-organised
- Self-motivated
- Strong communication skills
- Enthusiastic attitude

Previous experience in sales field is preferable. Target and results driven with full Driving Licence is a must.

Our brand stands for quality, design, integrity and product wear ability. We provide 1st class customer service and fast delivery as all our stocks are held in the UK.
